New ORLEANS, Nov. 13,-the Democratic Committee have complete returns made up from duplicate lists of supervisors, showing Tilden's majority in the State 8,107, by which majority they claim that they have carried the State.

Ur to the time of going to press we are unable to give the official vote. But we have sufficient news in, to substantiate the fact, that THIDEN and HEXDERCKS are, in our belief, elected We Met the Foe, and bryond doubt. There can possibly be nothing to interfere to prevent their election.

OREGON was Democratic in 1874. She then elected a Democratic governor. She was Democratic last June, when a Legislature was elected, which has elected a Democrat to the United States Senate. Oregon is Democatic to-day, for the State has gone fo TILDEN.

The prolonged suspense regarding the result of the election is working to the temporary injury of business. Everbody's attention is ingressed to the political situation, and the prevalest anxiety interferes with the progress of trade. The settlement of the fact of Tuden's election will, however, set the wheels running again more briskly than before.

ONE of those strange coincidences that serve to imbue the minds of credulous people with a belief in spiritualism occurred in Hartford last week, a Dr. Langley, a medium, was shown a lock of hair from the head of a hospital patient who had the consumption, and he informed the parties who consulted him that nothing could save the con- give in this issue full returns but so sumptive, that he would die in exactly far, we are unable to say any more four months and a half.
